

Cafeteria

1. Coordinating Conjunction

Cafeteria

Our cafeteria has adverb weird food. The lunch noun are really nice, conjunction I think they should try to be better cooks. One day I swear I saw my sandwich move When you walk in the cafeteria the smell is adjective. It adjective like old gym socks. When it is just about time to leave we have to verb under our table , when you look preposition the table you just want to yell, " interjection!"pronoun, would think we were at a zoo. There is always cheese balls and a sandwich or two. Over all everyone in the cafeteria is nice, Coordinating conjunction the food is isn't that good.
