# Kathleen and Jon

When I first heard that Kathleen and Jon were getting married, I shouted, "Exclamation!" They are the Adjective couple ever, and I wish them many Adjective Noun - Plural for years to come. I came all the way from Proper Noun to share in this special day. Although I love and support you both, let's be honest - I'm really here for the Noun. I would describe the day so far as Adjective!

A few words of advice as you enter this Adjective union...

Don't forget to Verb before you Verb. Jon, you should always Verb Kathleen's Noun. And Kathleen, try to always Verb Jon's Noun.

May your lives be filled with many years of Noun and Noun.

With love from, Your Name
