Today I was walking down the street and I saw First Name of a Person come out of the grocery store.
said, "that was buying food for Gender Animal" And, "prices
had went up for food." so was buying it while was on sale.
I said, "have a nice day then I went into the grocery." Then saw Repeat Last First Name of a Person buying
Food for a Animal trap to catch a Animal in Gender house.
I said, "Good luck Repeat Last First Name of a Person!"
She replied, "Thanks!"
