Celia and Kevin's Love Story

Everyone knew Celia and Kevin were destined to be from the start; they just needed to
it out themselves! The day after their senior, Kevin took Celia on their first
They spent the afternoon going on a walk around the hand in hand and sitting in
of each other as they Verb - Past Tense House. Celia and Kevin spent the whole summer
together under the Noun-Plural, swooning at each other's beauty. When the summer came to a close, they
just couldn't bear the thought of breaking up. They decided to attempt the terrifying reality of a long
relationship. While difficult, it was the best they ever made and their
only grew stronger! Celia decided that the distance was too much and she needed to be by her
Kevin. She packed her bags and moved in with another ginger in Lincoln, NE. Now that Kevin
had Celia by his side, he wasn't going to let her They grew together and made wonderful
memories, including welcoming a furry into the family! After a while, their love grew so
that they needed to be sure of one another. They spent a semester apart, which proved to be the
most heart wrenching Noun - Plural of their lives! They realized then that they didn't want to
one more day without each other. After verb - Present Tense their love once again, Kevin
snuck onto memorial stadium with all of his and her best friends to pop the on the 50 yard line
right before getting out And the rest is history!
