Sultans of swing

You get a Noun in the dark

It's been raining in the park but meantime

South of the river you stop and you hold Noun

A band is blowing Dixie double four time

You feel all right when you hear that Noun ring

You step inside but you don't see too many Noun

Coming in out of the rain to hear the jazz go down

Too much competition too many other places

But not too many horns can make that sound

Way on downsouth way on downsouth Name town

You check out Guitar Name he knows all the chords

Mind he's strictly rhythm he doesn't want to make it cry or sing

And an Adjective guitar is all he can afford

When he gets up under the lights to play his thing

And Name doesn't mind if he doesn't make the scene

He's

got a daytime job he's doing alright

He can play honky tonk just like anything

Saving it up for Friday night

With the _____ Name with the _____ Name of Swing

And a crowd of young boys they're fooling around in the corner

Drunk and dressed in their best brown _____ Noun and their platform _____ Noun

They don't give a _____ Noun about any trumpet playing band

It ain't what they call rock and roll

And the _____ Name played _____ Game

And then the man he steps right up to the _____ Noun

And says at last just as the time bell rings

'Thank you goodnight now it's time to go home'

and he makes it fast with one more thing

'We are the _____ Name of Swing'
