# Sultans of swing

You get a         Noun         in the dark

It's been raining in the         Park         but meantime

South of the river you stop and you hold everything

A band is blowing Dixie double four time

You feel all right when you hear that         Noun         ring

You step inside but you don't see too many         Noun - Plural        

Coming in out of the rain to hear the jazz go down

Too much competition too many other places

But not too many         Noun - Plural         can make that sound

Way on downsouth way on downsouth         London         town

You check out Guitar         Name         he knows all the chords

Mind he's strictly         Noun         he doesn't want to make it cry or sing

And an         Adjective         guitar is all he can afford

When he gets up under the lights to play his thing

And         Name         doesn't mind if he doesn't make the scene

He's

got a daytime job he's doing alright

He can play honky tonk just like \_\_\_\_\_  
Name

Saving it up for Friday night

With the \_\_\_\_\_  
Sultans with the \_\_\_\_\_  
Sultans of Swing

And a crowd of young \_\_\_\_\_  
Noun - Plural they're fooling around in the corner

Drunk and dressed in their best brown baggies and their platform soles

They don't give a \_\_\_\_\_  
Noun about any trumpet playing band

It ain't what they call rock and roll

And the \_\_\_\_\_  
Sultans played \_\_\_\_\_  
Game

And then the man he steps right up to the \_\_\_\_\_  
Noun

And says at last just as the time bell rings

'Thank you it's time to go home'

and he makes it fast with one more thing

'We are the \_\_\_\_\_  
Sultans of Swing'
