Preventing Nighmares

Have you ever lived your worst nightmare? Were you still scared and scared for your Part of Body. Here is how to save Part of Body from this doom struck moment. First you got to Verb - Base Form and Verb - Base Form like a Animal. After that you will make people feel Adjective. Not Adjective, Adjective, or Adjective. Next you will eat a Noun with Proper Noun Ralph. Once that is done you will fall asleep with a Noun - Plural above you.

Remember what ever you dream don't Verb - Base Form. Noun - Plural are by you at all times.

Hopefully not stalking you!
