# Finding Kansas

\_\_\_\_\_ went to the \_\_\_\_\_ to find the lost city of \_\_\_\_\_.

\_\_\_\_\_ into a crater and got covered up with mud. \_\_\_\_\_ started

\_\_\_\_\_ up the lost city and found a (an) \_\_\_\_\_ of the city mayor, \_\_\_\_\_

\_\_\_\_\_. The \_\_\_\_\_ said where his house was and that there was a \_\_\_\_\_ of

gold hidden in the drawer under the bed. It also had the password to his private plane called the Golden Hawk. If

John could \_\_\_\_\_ up the city of \_\_\_\_\_ with the Golden Hawk he would be able to bring

it back to New \_\_\_\_\_ with proof that he found the lost city. When \_\_\_\_\_ got into the

plane all of the \_\_\_\_\_ were far more advanced than the plane he drove down here. John started

randomly pressing buttons and the plane started to \_\_\_\_\_ then \_\_\_\_\_. After just

getting the hang of it a light started glowing and in an ancient type of writing the words said not enough

\_\_\_\_\_. John couldn't read the \_\_\_\_\_ so he thought that it was showing that it was ready to

\_\_\_\_\_. When he got halfway to New \_\_\_\_\_ the Golden Hawk ran completely out of

\_\_\_\_\_ and \_\_\_\_\_. The city of \_\_\_\_\_ was lost once again.
