# Russians are a Good Combination with Pecan Pie

Have you ever taken a big \_\_\_\_\_ Verb - Base Form of Russia and \_\_\_\_\_ Verb - Base Form it with pecan pie? It is so  
\_\_\_\_\_ Adjective!!! You see, \_\_\_\_\_ Proper Noun Putin the Russian president is French who created the Pecan  
Pie. Pecan Pie is made of \_\_\_\_\_ Adjective or brown sugar, sugar syrup, maple syrup, or honey and molasses.  
An Russians are made of \_\_\_\_\_ Noun. First, you take a slice of Russians and then get a piece of pecan pie. I  
suggest you use some \_\_\_\_\_ Verb - Present ends in ING Putin syrup. When you put the mixture of goodness into you  
mouth, you must put it in at a \_\_\_\_\_ Number degree angle. Thank you for taking your time to listen to me.
