Dear First Name of a Person ,

Everything is all right here. I Had a test yesterday, don't even ask if it went Adjective. It's been a Adjective couple days ! My Animal has been sick, so I hope he feels better. Guess what? We are getting another pet soon! My Noun loves pets, but I don't. It's getting a lot warmer here! It's been about Number degrees the last couple days ! I can't wait until I can wear shorts on Day Of The Week ! My Noun told me it's cold where you live. Is it? Well, I can't talk for long, I have A Sport practice.

This pen pal assignment has been Adjective ! Talk to you later!

Your friend,
