Advice for the Graduate

Michael is so Adjective to be graduating from Utah Valley University. He has earned a degree in culinary arts, but wishes he had majored in major. Michael spent Number hours each week studying, & stayed up late thanks to food or drink. He is very Adjective he was able to finish college in 4 years, instead of Number years, like everyone thought. So after studying, finals, & verb, Michael can't wait to enter the real world and start paying off those student loans!
