# There Is A [Noun] That Never Goes Out

Take me out tonight

Where there's Noun and there's people

Who are young and alive

Driving in your Noun

I never never want to go home

Because I haven't got one anymore

Take me out tonight

Because I want to see Noun

And I want to see life

Driving in your car

Oh please don't drop me home

Because it's not my home, it's their home

And I'm welcome no more

And if a double-decker bus

Crashes in to us

To Verb - Base Form by your side

Is

such a Adjective way to die

And if a ten ton truck

Kills the both of us

To Verb - Base Form by your side

Well the pleasure, the privilege is mine

Take me out tonight

Take me anywhere, I don't care

I don't care, I don't care

And in the Adjective underpass

I thought Oh God, my chance has come at last

But then a strange Noun gripped me

And I just couldn't ask

Take me out tonight

Oh take me anywhere, I don't care

I don't care, I don't care

Driving in your Noun

I never never want to go home

Because

I haven't got one
