When the professor sent the team to recruit Repeat Last your name, their reaction to being selected was Adjective. They couldn't believe it! They were so Adjective that they Verb - Past Tense the Noun! After quickly cleaning the mess this made, the xmen and Repeat Last your name all piled into the Noun that the xmen had come to Repeat Last your name house in and headed back to the mansion.

When they arrived professor x wanted to see the full potential of his new student, and quickly put them into the danger room to fight Noun and see his powers. During the battle, owen began to do something Adjective. At that precise moment, WHAM! Repeat Last your name blasted an attacking Noun with a burst of Noun from his body part. It was a new power!!
