Magical She

Once upon a time, there was a noun-feminine that liked to wear item of clothing , along with her sparkling shoes. She lived in the kingdom of Proper Noun . One day, the noun-feminine was walking around the enchanted forest looking for some berries, apples, and plums. But, she Verb - Past Tense . A(n) Animal came and stole her noun - item . She was then left alone in the forest. She walked around and found a path covered in Adjective pebbles. She followed it, hoping she would find her way home. Eventually, there came a fork in the road with a river, and she couldn't decide which direction to go. She Verb - end with ED for a long time, and in the end decided to go left. She came across a small pond, and she dipped her face to the surface to take a drink until she noticed something peculiar. The pond suddenly became Adjective ! Her heart pounded against her chest with fear, Conjunction she screamed, " Interjection - Exclamation ! Whatever has caused it to be like this?" ,she cried. Adverb -end with LY , a cloud of glitter appeared in the air. Many Noun - Plural appeared in the cloud of glitter and started yelling at the girl in a strange language. One of them spoke English and explained, "Could you please help us, Pronoun - Masculine broke his wand." The girl was astounded by this magical group. "A wand?! Why, I am merely a girl!" she cried, "Don't kill me, please!" She turned around to find that Possessive Noun -person body had butterflies flying Preposition it. How peculiar. She became frightened and ran away. Alas, after a long walk, she saw her palace faintly in the distance. She ran towards it, and rejoiced with her family once again.
