art opening

I went to the art gallery to see the _____^{Noun} of a local artist. It was hot and I didn't know anyone there. I pretended to gaze thoughtfully at the artwork on the walls. A woman next to me asked if I was an _____^{Noun} and I said yes. She proceeded to tell me about her own artwork and all of the awards she'd won. I excused myself to visit the bar for a drink. I chugged my _____^{Noun} to cope with the crowd when a _____^{Adjective} man stumbled into me and I spilled all over myself.
