# RapLibs1

Yo \_\_\_\_\_<sup>Noun</sup> it's the 21st century

And you know that I can barely \_\_\_\_\_<sup>Verb</sup>

My skin's gettin' all \_\_\_\_\_<sup>Adjective</sup>

Cuz you so damn \_\_\_\_\_<sup>Adjective</sup>

You know I like to fill my cup until it's \_\_\_\_\_<sup>Verb</sup>

And I do not like to let it up until my skills be \_\_\_\_\_<sup>Verb</sup>

And I cannot help but rip it up when other peeps be \_\_\_\_\_<sup>Verb</sup>

Cuz my skill is just too big to keep the good people from \_\_\_\_\_<sup>Verb</sup>

I'm derivin' your tangents and fillin' with \_\_\_\_\_<sup>Noun</sup>

With ultimate vengeance I'm writin' my \_\_\_\_\_<sup>Noun</sup>

This set make me reconsider my \_\_\_\_\_<sup>Noun</sup>

Maybe I'll just go work in \_\_\_\_\_<sup>Noun</sup>

My crew be runnin circles 'round you \_\_\_\_\_<sup>Noun</sup>,

Usain Bolt vs. you, on some crutches with loose \_\_\_\_\_<sup>Noun</sup>.

Ya'll like Blues Clues searchin for your dignity \_\_\_\_\_<sup>Noun</sup>,

your

lyrics are wack, not enough paper to make a \_\_\_\_\_Noun.

So you askin us to jump up on your \_\_\_\_\_Noun,

after a quicky like we Nicky because we beez in that \_\_\_\_\_Noun.

But like a bee I'll sting your lady with my venomous \_\_\_\_\_Noun

and double back to grab some cash and put the team on my \_\_\_\_\_Noun.

But can't forget the \_\_\_\_\_Noun,

blow enough trees to float a \_\_\_\_\_Noun,

guess that means we get high even when we're underseas,

but we're over seeds smoke the finest weed,

sippin' tea and blow the sour D like we Wiz Khali--fa, pass the peace pipe please I'm the chief--a,

I got all the pieces to the puzzle so it's puff puff pass the Dutchy all around the \_\_\_\_\_Noun,

rather be living in a green world than live inside a \_\_\_\_\_Noun.

We \_\_\_\_\_Verb bottles up,

Hitting \_\_\_\_\_Noun up,

With

the \_\_\_\_\_<sup>Noun</sup> up,

No \_\_\_\_\_<sup>Adjective</sup> \_\_\_\_\_<sup>Noun</sup> but my chain is bigger than a tod-du-ler.

Plus it's \_\_\_\_\_<sup>Adverb</sup> \_\_\_\_\_<sup>Adjective</sup> so all the labels wanna sign me bruh,

People saying I got so much \_\_\_\_\_<sup>Noun</sup>, look like I'm Hannukah,

Yeah I see you \_\_\_\_\_<sup>Verb</sup>,

wish you had the \_\_\_\_\_<sup>Noun</sup> I'm \_\_\_\_\_<sup>Verb</sup>,

wish you didn't worry so much--no Bobby McFerrin,

But it takes a lot to get to where I am:

Ya'll just actin' jelly cause I got you in a jam...

DAMN!
