# Roger's Game

Roger was prepped. It was time for his next game of Sport. He knew what to do. His team was Adjective. But then it happened - he saw his competitors. They were fifteen Adjective, Adjective, Verb - Past Tense that were covered with Adjective hair. When he saw them, Roger immediately Verb - Past Tense. It was Adjective. But he knew he had to play through it. So they began the game. It was over much Adjective - Ends in ER than anticipated. As it turns out, Roger is much better at playing Adjective games than anyone knew.
