# The Coconut War

There once was a war in \_\_\_\_\_<sup>State</sup>\_\_\_\_\_ against replacing an old \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ for a highway. They had a war to settle the argument. They were split into teams. But instead of bullets and weapons, they used \_\_\_\_\_<sup>Food</sup>\_\_\_\_\_ and \_\_\_\_\_<sup>Food</sup>\_\_\_\_\_. No one should be harmed violently during this event. The war started when a \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ blown loudly. People on \_\_\_\_\_<sup>Noun - Plural</sup>\_\_\_\_\_ launched coconuts and others had to throw them. Many fruits beaten up and \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_ cuts and bruises were just as beaten . Unexpectedly, the war ended when a \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ erupted and all the souls diminished into the soil like a \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ soaked in \_\_\_\_\_<sup>liquid</sup>\_\_\_\_\_.
