The           Noun           came at me from the           Noun          .           Pronoun                     Verb - Past Tense            
          Determiner                     Noun          . It was           Verb - Present Tense           a           Noun           made from           Noun           I'd  
          Verb - Past Participle                     Preposition or subordinating conjunction          .           Pronoun                     Verb - Past Tense            
          Adverb           and           Verb - Past Tense           on           Pronoun                     Adverb                     Adjective - Comparative           than  
thought           Adjective          . My           Noun - Plural                     Verb - Past Tense                     Verb - Past Participle           apart to  
          Adverb           for           Pronoun           to           Verb          .           Pronoun                     Verb - Past Tense           the  
          Noun           at me           Coordinating conjunction           I           Verb - Past Tense                     Pronoun           had           Verb -  
          Past Participle          . Then the           Noun                     Verb - Past Participle                     Preposition or subordinating conjunction           and my  
          Noun                     Verb - Past Participle          . The           Noun                     Verb - Past Tense           a           Adjective           one, nor  
          Adjective          , nor           Adjective          . The           Noun                     Verb - Past Tense           my           Noun          . Not my  
          Noun          . My           Noun          , the           Noun           of           Pronoun                     Pronoun                     Verb - Non  
          3rd Person Singular Present           made           Preposition or subordinating conjunction          . The           Verb - Present Tense           forces  
          Determiner                     Verb - Non 3rd Person Singular Present           what           Pronoun                     Modal           and  
          Modal                     Adverb           do.           Pronoun           came           Preposition or subordinating conjunction           me  
          Adverb           but this           Noun           it           Verb - Past Tense           a           Noun          .           Pronoun            
          Adverb                     Verb          ,           Proper Noun          ,           Noun          ,           Noun          ,           Noun          ,           Noun          , no it just  
          Verb - Past Tense                     Noun          . So           Verb - Present Tense           that I           Verb - Past Tense            
          Verb - Past Participle                     Preposition or subordinating conjunction           my           Noun          .           Pronoun           was
