Dad Lib

There once was a very smart dad. He fished for and did everything he could to make his
family He made them for the whole family every Sunday and joked
around with them day in and day out. One day he decided to get them a pet He searched
everywhere in for one until he came upon the perfect and bushiest Once he
caught it, he hurried home with the new pet in its cage. Suddenly, it out and tackled the
dad right in the It hissed and scratched until the dad ran home verb - Present Tense He knew
never to mess with again. The End!
