# making a planet

once there was nothing then there was \_\_\_\_\_ ! he thought it was lonely out in space so he made a planet

it was called \_\_\_\_\_ . he liked it there but it was still loney. so he made \_\_\_\_\_ to  
rome the land \_\_\_\_\_

to rome the water and \_\_\_\_\_ to fly in the air. is was good but it was missing some thing so he made  
\_\_\_\_\_

and it was good but \_\_\_\_\_ was sad. all the other creatures had a mate but he did not.

so god took \_\_\_\_\_ bone and made \_\_\_\_\_ .

and all was good
