# Let Me Introduce Myself

Hello.

My name is           Name of boy or girl          .

I am           number           old and I am in           number           grade.

My thing to do is           something to do          .

But I don't like           something to do          .

I feel very           Adjective           to be here today.

I look forward to           Verb - Present ends in ING           with you this summer.
