5. Proper Noun
6. Verb - Base Form

# Chetek

One day Dave Sobek said, "Hey, I'm \_\_\_\_\_<sup>Adjective</sup>\_\_\_\_\_. You know who makes good \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_, Joy!" He was right, she does. In fact, people are willing to camp out for food like that!

Meanwhile, at the carpet ball \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_, an argument erupted. It seems that Eli had \_\_\_\_\_<sup>Noun</sup>\_\_\_\_\_ the ball overhand, when it had been clearly listed in figure 2.86 of the carpteball code that it must be backhand.

\_\_\_\_\_<sup>Proper Noun</sup>\_\_\_\_\_ was quickly exiled over to the table under the tree dripping sap. To which people said, "that poor sap". You see, they were \_\_\_\_\_<sup>Verb - Base Form</sup>\_\_\_\_\_ bad for the sap landing on the boy, rather than for the boy himself.
