# Supernatural Radio Show 1

Welcome to our sleepy town of Location. We have been tracking hunters for a long time in this town because they come in and out frequently.

What is a hunter, you ask? Well, very few people realize that nearly every storybook monster, urban legend, and story in the Bible is actually true. Some humans take up the job of hunting such creatures, usually from some kind of tragic backstory such as their Relative Verb - Present ends in ING.

For example, last week we managed to interview a hunter named Bobby Singer. We like to call him Nickname. Other hunters call him Big Animal. Just as a quick recap and summary, we found out that Bobby became a hunter because his friend Rufus Last Name helped him out after his wife, Full Name of a Person, became possessed by a demon named Full Name of a Person. Bobby stabbed his wife with a Noun and Rufus took care of the rest (which usually means Verb - Present ends in ING). Bobby got emotional during our interview and Verb - Past Tense loudly on a Noun.

We tried to interview Rufus but he Verb - Past Tense and then threw his prized Noun at us. His choice words were "Exclamation"

Yes, we have interviewed exactly Number hunters on our show here in our town because they really are a

marvel that not many people know about.

Some hunters hunt together in packs or duos. For example, Ellen \_\_\_\_\_  
for \_\_\_\_\_, hunt together as a family. Ellen's husband \_\_\_\_\_ was a hunter  
but died from \_\_\_\_\_. He was out hunting with another famous hunter, John \_\_\_\_\_  
Winchester, who put the man out of his misery by \_\_\_\_\_. Ellen harbored a grudge against  
the Winchester family for this. Her daughter Jo didn't know - she \_\_\_\_\_ towards  
a \_\_\_\_\_ and also had a crush on John's oldest son, who she fondly called \_\_\_\_\_ Winchester.  
Jo unfortunately died when she was \_\_\_\_\_ by a \_\_\_\_\_. \_\_\_\_\_ are Hell's  
most scary creature. She sacrificed herself by touching a \_\_\_\_\_ and her mom was with her when they  
decided to \_\_\_\_\_. This was all so the Winchester brothers could \_\_\_\_\_ and  
\_\_\_\_\_, which would kill Satan.

This is a good segway into today's episode. The Winchester brothers are John's two sons from his wife Mary  
Winchester. John also had another son, Adam \_\_\_\_\_ Milligan. Adam died from \_\_\_\_\_  
\_\_\_\_\_ a \_\_\_\_\_ and his face \_\_\_\_\_. John Winchester died  
when he sold his \_\_\_\_\_ to a demon named \_\_\_\_\_, or Azazel. John is best known for  
telling Azazel like it is - " \_\_\_\_\_ and also eat \_\_\_\_\_ you \_\_\_\_\_ "

So

today we interview two hunters who are actually some of the most famous, most deadly, most Adjective

hunters out there. John and Mary's sons, First Name of a Person and Sam Winchester. Oh wait....that's not right. The older one is named Dean. Our apologies. They are some of the few living Winchesters out there and even stopped the apocalypse from happening with the help of their friend, First Name of a Person (Castiel).

To begin, we start with the older Winchester boy. He is more Adjective, more Adjective, and is the suppressed Noun of the family.

As a little background, the Winchester boys got into hunting because their mother Verb - Past Tense on the ceiling and then John went into a Noun and vowed to Verb - Base Form.

Here they come now.

\* Dean is Verb - Past Tense onto the stage. He is wearing a Clothing Article on his face. He is also wearing a Clothing Article on his torso. His legs are Adjective and his hair is Number inches long. He looks bewildered and Adjective, waving Adverb and giving a winning smile \*

\*Sam, meanwhile, Verb - Present ends in S awkwardly onto stage. He is wearing Clothing Article instead of pants and has his hair in a Noun. He is wearing 60 Clothing Article Plural and has a message tattooed

on his arm that says Message. He is blushing and hiding his Body Part shyly \*

Okay. So Dean Winchester is the older brother and he has gone through a lot. Dean has actually been to Hell.

Sam has been to the cage with Satan. Both of them would die for each other. Let's start with a lighter topic. Dean

, what is your zodiac sign?

Dean: Animal.

No, your zodiac sign. What month were you born in?

Dean: Month

No, what month....like....January?

Dean: Yes. Exclamation.

So you are an aquarius. And you, Sam?

Sam: \* running Noun - Plural through his hair awkwardly\* Animal

No,

what month were you born in?

Sam: May. Exclamation Exclamation

Okay. Nevermind. So I want to introduce our radio show listeners to something about hunting life. You two hunters are the most famous and miraculous of all. You have literally been to Hell and back. You have been to Heaven and back. You talk to angels, kill monsters, and exorcise--

Dean: Woah woah I'm going to stop you right there. You see, what we do is Noun compared to a Noun. It's not a picnic. It's not a walk in the Location. It's not like we just "talk" to angels, we Verb - Base Form too. You know?

Hm. Okay. So do you care to elaborate on the hunting life?

Sam: \*rolls his Body Part blatantly\*

Dean: \*gesturing with his Body Part and smirking \* Some of the perks of being a hunter are the Noun - Plural. Their Body Part Plural

Sam:

Dean! This is inappropriate. What he means to say is we don't get much time to relax. However, when we do, it's

\_\_\_\_\_ Noun and we \_\_\_\_\_ Verb - Base Form . We work hard, and it's tough, but the more people we  
\_\_\_\_\_ Verb - Base Form the better.

Dean: That's right, Sammy. It's all about \_\_\_\_\_ Verb - Present ends in ING and stuff. I say the less monster there are,  
the less \_\_\_\_\_ Noun - Plural we have.

But Dean, is it true that you are prone to black and white thinking?

Dean: \*chuckles \_\_\_\_\_ Adverb \* What? Who wrote this interview, Sam? \_\_\_\_\_ Exclamation .

Sam: It's absolutely true that he's prone to that. You know what else he does? He \_\_\_\_\_ Verb - Present ends in S first  
and \_\_\_\_\_ Verb - Present ends in S later. Sometimes you have to stop and just \_\_\_\_\_ Verb - Base Form your  
\_\_\_\_\_ Body Part before someone else does. Not everyone is a \_\_\_\_\_ Noun .
