# The Big Day

Andre and Jackee's wedding day had finally arrived! They were so Feeling. They both got up at Number:00 in the morning to start getting ready. After he got dressed, Andre realized he had left his Noun - Plural at home. He had to send his brother Henry to drive to the store and buy him some. Then, after Jackee's Noun had been done, her mom Linda Adverb burst into her room to tell her that a giant Noun monster had been seen rising from the Noun and was headed straight for the wedding venue! Jackee Adverb finished doing her Noun and putting on her Noun before she left to assess the situation. She Verb - Past Tense to the top of the highest Noun in Cambria and got out her Noun. She could see that the giant Noun monster was getting close! She Adverb climbed back down and told everyone that the Event had to start early. The guests were all Feeling that they would get Verb - Past Tense, but they stayed and listened to the bride and groom exchange their Noun - Plural. After the Event was over, the ground started to shake as the Noun footsteps grew closer. Everyone Verb - Past Tense to the Noun to eat some prime Food and pie before they had to Verb - Base Form away. Andre and Jackee were the only ones who were still there when the Noun arrived. They were so Feeling! The monster Verb - Past Tense over them and Adverb asked, "Do you have any Food for me?"
