In the year \_\_\_\_\_, a ship carrying \_\_\_\_\_ arrives in the lush new world of \_\_\_\_\_. The settlers are mining for \_\_\_\_\_, under the supervision of \_\_\_\_\_.

\_\_\_\_\_ begins exploring the new territory, and encounters \_\_\_\_\_. Initially she is distrustful of him, but a message from \_\_\_\_\_ helps her overcome her trepidation. The two begin spending time together.

\_\_\_\_\_ helps \_\_\_\_\_ understand that all life is valuable, and how all nature is a connected circle of life. Furthermore she teaches him how to hunt, \_\_\_\_\_, and of her culture.

We find that her father is \_\_\_\_\_, and that she is set up to be married to \_\_\_\_\_, a great \_\_\_\_\_ - but a serious man, whom \_\_\_\_\_ does not desire. Over time, \_\_\_\_\_ and \_\_\_\_\_ find they have a love for each other. Back at the settlement, the men, who believe the natives are savages, plan to attack the natives for their \_\_\_\_\_.

\_\_\_\_\_ tries to kill \_\_\_\_\_ out of jealousy, but he is later killed by the settlers. As the settlers prepare to attack, \_\_\_\_\_ is blamed by the \_\_\_\_\_, and is sentenced to death. Just before they kill him, the settlers arrive.

\_\_\_\_\_ is killed, and \_\_\_\_\_ sustains injuries from \_\_\_\_\_.

\_\_\_\_\_ who is then shot with \_\_\_\_\_ risks her life to save \_\_\_\_\_.

\_\_\_\_\_ and \_\_\_\_\_ finally have each other and the two cultures resolve their differences.
