Physics Mad Lib

There once was a guy named Bob who loved to bake _____^{Noun}_____. One day he decided to make a
_____^{Noun}_____ for his friend he didn't have enough _____^{Noun}_____ for the _____^{Noun}_____ so he decided to go to
the store. He hopped in his car and started it up, he then came to a stop light, and after about 5 min. he realized
he needed more gas. He then slammed his foot on the gas pedal,
