# A day in the life of Inna...

Now that Inna is not working full time, she has much more \_\_\_\_\_ days. Inna likes to get up every morning at a \_\_\_\_\_ time. She starts the day by taking a long, hot shower, brushing her teeth and washing her \_\_\_\_\_. Inna has a serious beauty care routine that involves a lot of creams and steps, but maybe this is what always makes her so \_\_\_\_\_. After her grooming, she likes to go to her \_\_\_\_\_ class. She loves yoga and especially loves to fall asleep at the end of the class because then she knows that her mind is \_\_\_\_\_. Mon and Jess love when she comes back from yoga in a \_\_\_\_\_ mood. The rest of Inna's day changes all the time. Sometimes she is stuck at home taking care of house duties or \_\_\_\_\_ the bills. Other times she is crazy busy running \_\_\_\_\_, trying to take care of all the family members' needs. Often, you can find her in the \_\_\_\_\_ store buying healthy food and new, funky ingredients to introduce us to. Her new thing is to come home and try out recipes with the \_\_\_\_\_ and lately she has been making us healthy lunches to go, which is so \_\_\_\_\_. Daddy especially \_\_\_\_\_ her food and is loving the new creative culinary skills of his \_\_\_\_\_. Inna is the master of making us all feel at home and comfortable and well fed :). She brings us together for meals and always has an \_\_\_\_\_ story to tell. We love her so much!
