If \_\_\_\_\_ were a color it would be \_\_\_\_\_. It would be shaped like \_\_\_\_\_, small but many! If \_\_\_\_\_ were a weather condition it would be \_\_\_\_\_. Its temperature would be like a \_\_\_\_\_, like the \_\_\_\_\_. \_\_\_\_\_ likes to live \_\_\_\_\_, but when it comes out you can see it \_\_\_\_\_. If \_\_\_\_\_ could speak it would say \_\_\_\_\_ and \_\_\_\_\_. Three times I remember being \_\_\_\_\_ was when I \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.
