Real situation

Science is my favorite subject. We get to learn about _____^{Noun}, plants, _____^{Noun}, rocks and many more interesting topics. I like learning about planets the best. Also we get to do some really _____^{Adjective} experiments. One of my favorite _____^{Article} is when you _____^{Verb - Past Tense} mentos in _____^{Article} bottle of _____^{Noun} and you get to see the chemical reaction. Overall science is really fun. What is your favorite subject?
