Friends

Friendship is a Noun relationship, comprising of a Preposition or subordinating conjunction of emotions.

Friends would Verb together, empathize each other's Noun, share Noun and have a

lot of fun. In fact, the fun Noun of friendship is what makes the Noun Adverb. Friends

would bring a broad smile on our face and wipe all our Noun - Plural. The moments spent with

Noun - Plural would often bring out a number of Adjective incidents, which would be cherished

for the lifetime.
