# The Monster Mash

One \_\_\_\_\_ night I was driving down a dark road with my \_\_\_\_\_ Bella and Edward. We were jamming out to some \_\_\_\_\_ jams when suddenly the car jolted and started smoking and \_\_\_\_\_ down. We hopped out of the car and looked for any \_\_\_\_\_ of civilization to find help. In the distance we saw a spooky looking mansion and decided that was our only hope. We \_\_\_\_\_ on the mansion...there was no answer....so we \_\_\_\_\_ into the mansion and heard \_\_\_\_\_ in the distance. We \_\_\_\_\_ into the ballroom and saw every type of \_\_\_\_\_ goblin and creature dancing to the monster mash. I \_\_\_\_\_ over at Bella and Edward and saw that they had grown long vampire teeth and joined in the monster mash. I screamed at my dismay and \_\_\_\_\_ the only logical way to \_\_\_\_\_ in this \_\_\_\_\_ was to do the monster mash. So I danced with my monster friends all night.
