# What a Day!

As luck would have I woke up late on a day when it's raining and \_\_\_\_\_ Police Event Type \_\_\_\_\_ will be a beast. "Great",

I thought, as I stumbled from my bedroom to the bathroom to begin my day. "A perfect day to get into a

\_\_\_\_\_ Police Event Type \_\_\_\_\_ or better yet a \_\_\_\_\_ EMD \_\_\_\_\_. "Oh well, now I probably will have to speed and hope I

won't get a \_\_\_\_\_ Police Event Type \_\_\_\_\_ from the police". As I'm getting ready all of a sudden I feel like

\_\_\_\_\_ EMD \_\_\_\_\_. Oh wait, that was just \_\_\_\_\_ EMD \_\_\_\_\_ pains from the big bowl of chili I ate right before bedtime.

You live and learn is my motto as I walked out the door.
