## What a Day!

As luck would have I woke up late on a day when it's raining and <u>Police Event Type</u> will be a beast. "Great", I thought, as I stumbled from my bedroom to the bathroom to begin my day. "A perfect day to get into a <u>Police Event Type</u> or better yet a <u>EMD</u>. "Oh well, now I probably will have to speed and hope I won't get a <u>Police Event Type</u> from the police". As I'm getting ready all of a sudden I feel like <u>EMD</u>. Oh wait, that was just <u>EMD</u> pains from the big bowl of chili I ate right before bedtime. You live and learn is my motto as I walked out the door.
