## Part 6

\_\_\_\_\_ Female One \_\_\_\_\_ Adverb was \_\_\_\_\_ Verb - Present ends in ING along the stream, the one that split outward like a \_\_\_\_\_ Noun in a \_\_\_\_\_ Noun, inspecting the scattered \_\_\_\_\_ Noun - Plural down the path \_\_\_\_\_ Male One and \_\_\_\_\_ Female Two had not taken days ago, and she and \_\_\_\_\_ Female Three, \_\_\_\_\_ Female Two and \_\_\_\_\_ Male Two had not taken either when they went on their \_\_\_\_\_ Adjective run.

Squinty-eyed, she side-stepped all around, very carefully that is, noticing the spots where the earth was \_\_\_\_\_ Adjective and \_\_\_\_\_ Noun - Plural weren't covering it.

Scratching the side of her \_\_\_\_\_ Part of Body and bending down, she saw that rough outlines of ovals, indicating \_\_\_\_\_ Noun - Plural, were moving outward down the path. They weren't in zig-zag lines, had they been, they would've meant \_\_\_\_\_ Noun - Plural had migrated in that direction.

Standing up, \_\_\_\_\_ Female One felt a sense of paranoia overwhelm her senses. She looked over her shoulder, watching her little \_\_\_\_\_ Relative laugh with his \_\_\_\_\_ Insulting Name \_\_\_\_\_ Female Two, and \_\_\_\_\_ Female Three and all the rest of the group that was present, enjoying themselves for the first time in a while. Sure, it was a possibility that the \_\_\_\_\_ Animal (plural) that had clearly passed through the area left a long time ago, and travelled far. But then again, the \_\_\_\_\_ Noun - Plural had just fallen weeks ago, and she did spot a \_\_\_\_\_ Insulting Name the other day, or at least thought she did.

\_\_\_\_\_ Female One exhaled before pulling on her \_\_\_\_\_ Adjective expression she always wore, erasing the anxiety off of her face and \_\_\_\_\_ Verb - Present ends in ING across the \_\_\_\_\_ Location. She couldn't decide if the bearded

\_\_\_\_\_ Location \_\_\_\_\_ she saw was a mere hallucination or a reality, and it spooked her a little. She didn't want to have hallucinations. She had other things to worry about.

The weather seemed almost bipolar, it couldn't decide if it wanted to be cold and icy, cool and dry, or rainy and chilly. That day, it was fortunately dry for the most part, and quite warm at \_\_\_\_\_ Number \_\_\_\_\_ degrees.

\_\_\_\_\_ Female One \_\_\_\_\_ almost thought about taking off her \_\_\_\_\_ Clothing Singular \_\_\_\_\_ and fingerless weight lifting \_\_\_\_\_ Clothing Plural \_\_\_\_\_, but thought she better not because she didn't want to draw any attention at the moment. Right now, she needed to have a talk with her \_\_\_\_\_ Relative \_\_\_\_\_.

" \_\_\_\_\_ Male Three \_\_\_\_\_."

The \_\_\_\_\_ Color \_\_\_\_\_ haired boy's smile dropped in an instant and his \_\_\_\_\_ Relative \_\_\_\_\_ turned to his sister.

"Wow, look who's excited to see his \_\_\_\_\_ Relative \_\_\_\_\_ who \_\_\_\_\_ Verb - Present ends in S \_\_\_\_\_ practically everything for him. I need to talk to you."

\_\_\_\_\_ Male Three \_\_\_\_\_ didn't want to cause a scene and make wide-eyed \_\_\_\_\_ Female Two \_\_\_\_\_ concerned, so he pulled himself off of the grass and followed his \_\_\_\_\_ Relative \_\_\_\_\_ over by the trees to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ to her.

\_\_\_\_\_ Female One \_\_\_\_\_

stuck her \_\_\_\_\_ into her \_\_\_\_\_ pockets and looked over her brother's trimmed  
\_\_\_\_\_ haired head at the \_\_\_\_\_, biting her \_\_\_\_\_.

"I already know about the \_\_\_\_\_ . \_\_\_\_\_ told me."

\_\_\_\_\_ huge \_\_\_\_\_ darted towards \_\_\_\_\_  
ones. "So it was real? \_\_\_\_\_, I thought I was going crazy or some-"

"Well, you're not exactly \_\_\_\_\_ . Neither am I. But I'm not \_\_\_\_\_ .  
Neither is \_\_\_\_\_ . We've seen the footprints. We just didn't wanna \_\_\_\_\_ you out."

\_\_\_\_\_ brows furrowed in anger. "You saw them and didn't \_\_\_\_\_ me? When  
\_\_\_\_\_, when?"

\_\_\_\_\_ exhaled. "Relax, we \_\_\_\_\_ them this morning when you guys left. I was  
gonna \_\_\_\_\_ you later today. They look pretty \_\_\_\_\_."

\_\_\_\_\_ poked her \_\_\_\_\_, contemplating how to react to this information her  
\_\_\_\_\_ had shared. "Alright. But \_\_\_\_\_ ...." She trailed

"Yes?"

\_\_\_\_\_ Female One lowered her voice. "Are you \_\_\_\_\_ Adjective?"
