# On The Sonnet

If by \_\_\_\_\_ Adjective rhymes our English must be \_\_\_\_\_ Verb - Past Tense,

And, like \_\_\_\_\_ Mythological Figure, the \_\_\_\_\_ Poetry Genre sweet

Fetter'd, in spite of pained loveliness;

Let us find out, if we must be \_\_\_\_\_ Verb - Past Tense,

Sandals more interwoven and complete

To fit the \_\_\_\_\_ Adjective foot of poesy;

Let us inspect the lyre, and weigh the \_\_\_\_\_ Noun

Of every \_\_\_\_\_ Noun, and see what may be gain'd

By ear industrious, and attention meet:

Misers of sound and syllable, no less

Than \_\_\_\_\_ Proper Noun of his coinage, let us be

Jealous of dead \_\_\_\_\_ Noun in the bay wreath crown;

So, if we may not let the Muse be free,

She will be bound with \_\_\_\_\_ Noun of her own.
