# High School Story: Part 1

I hate it when people stare at me, because I know they're \_\_\_\_\_ Verb - Present ends in ING me. I know I shouldn't  
care by now, but it still sends me into a \_\_\_\_\_ Adjective rage.

The weird kid named \_\_\_\_\_ First Name of a Person from \_\_\_\_\_ School Subject stared at me with his good  
\_\_\_\_\_ Part of Body, his lips were parted, his \_\_\_\_\_ Part of Body slightly turned towards the glass doors that lead  
outside.

I squinted at him, shaking my \_\_\_\_\_ Part of Body and moseying towards the doors, ramming my \_\_\_\_\_ Part of  
\_\_\_\_\_ Body into one.

" \_\_\_\_\_ Exclamation

!"

I groaned and quickened my pace, crossing the street and narrowly avoiding Noun - Plural. I knew he was behind me. The problem was, was if he kept Verb - Present ends in ING me, he'd find out where my house was and possibly Verb - Base Form me.

A different route was the plan.

I took off on a jog and veered left on the sidewalk, grinning Adverb while devising my plan more Adverb. There was a Adjective Location a few blocks down in an isolated patch of land, and the side I'd be ending up was known as the "Adjective" side of the Adjective Location. Gangs of freaky Adjective men Verb - Past Tense whoever crossed their territories and whoever was Verb - Past Tense never dared step foot there again

Except me, of course. The people living there knew how stubborn I was, and what I was capable of, and usually just \_\_\_\_\_ Verb - Past Tense me whenever I crossed through. Some even waved. I had gained respect from these people very \_\_\_\_\_ Adverb.

\_\_\_\_\_ First Name of a Person however, would be sighted as a \_\_\_\_\_ Insulting Name, a \_\_\_\_\_ Insulting Name and an intruder. He'd lose me in minutes, and I could cut through the \_\_\_\_\_ Location to \_\_\_\_\_ Insulting Name house with no hassle. It was a \_\_\_\_\_ Adjective plan quite honestly. He wouldn't get hurt, just \_\_\_\_\_ Verb - Past Tense.

I caught a glimpse of the \_\_\_\_\_ Location a hundred feet ahead, and quickened my pace. I heard \_\_\_\_\_ First Name of a Person panting and trying to keep up, but I didn't look back because if I did I'd trip and fall flat on my \_\_\_\_\_ Part of Body.

"I want to talk to you! \_\_\_\_\_!"

Sure \_\_\_\_\_. I shook my head and sped through the \_\_\_\_\_, getting  
suspicious looks from \_\_\_\_\_ who happened to be outside.

"\_\_\_\_\_!" \_\_\_\_\_ was a tough bearded guy with a beer  
\_\_\_\_\_ and numerous \_\_\_\_\_. By far, he was the \_\_\_\_\_ person  
around.

I

chuckled to myself knowing that \_\_\_\_\_ First Name of a Person \_\_\_\_\_ was caught. I heard \_\_\_\_\_ First Name of a Person \_\_\_\_\_

\_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ First Name of a Person \_\_\_\_\_ for a while before I heard him stop \_\_\_\_\_ Verb - Present \_\_\_\_\_

\_\_\_\_\_ ends in ING \_\_\_\_\_. I quietly praised myself for my clever plan of ridding myself of yet another \_\_\_\_\_ Adjective \_\_\_\_\_

person.

I slowed down to a steady walk once I reached the edge of the \_\_\_\_\_ Location \_\_\_\_\_, and got swallowed hole by the

\_\_\_\_\_ Noun \_\_\_\_\_.

While I walked, I pondered why \_\_\_\_\_ First Name of a Person \_\_\_\_\_ had gotten punched in the face. I knew it was

\_\_\_\_\_ Insulting Name \_\_\_\_\_ First Name of a Person \_\_\_\_\_, \_\_\_\_\_ First Name of a Person \_\_\_\_\_ always beat the \_\_\_\_\_ Weird word \_\_\_\_\_

out of people, which is pretty much never, and his buddy \_\_\_\_\_ Insulting Name \_\_\_\_\_ First Name of a Person \_\_\_\_\_ aided

him on occasion. But I wanted to know why.

He

was Adjective, there was no denying that, but the last time someone got Verb - Past Tense like that  
was when I did something. It's always me. What the Weird word did he do?

I decided to just take my mind elsewhere as I decided to just plop down on a fallen log and Verb - Base  
Form. I had had enough Verb - Present ends in ING for the day.

I was indulged in my book when I heard a Noun snap. Whipping my head towards the noise, I frowned.

"What the Weird word! Weird word?" I slammed my Part of Body shut and First  
Name of a Person walked over and sat down on the leaves across from me. I stood and snatched up my  
Noun and began walking the other way.

He stood and followed.

I whipped around. "What do you want?"
