9. Facial Expression

# Kailey and Alyssa's On the Sonnet

If by dull rhymes our \_\_\_\_\_ mythological creature must be chain'd,

And, like Andromeda, the Sonnet sweet

Fetter'd, in spite of pained \_\_\_\_\_ three syllable noun;

Let us find out, if we must be constrain'd,

Sandals more interwoven and complete

To fit the naked \_\_\_\_\_ body part of poesy;

Let us inspect the \_\_\_\_\_ famous transcendentalist, and weigh the stress

Of every chord, and see what may be gain'd

By ear industrious, and attention meet:

Misers of sound and syllable, no less

Than Midas of \_\_\_\_\_ famous poet coinage, let us be

Jealous of dead \_\_\_\_\_ genre of poetry in the bay wreath crown;

So, if we may not let the Muse be free,

She will be \_\_\_\_\_ place in europe with \_\_\_\_\_ type of weather of her \_\_\_\_\_ facial expression
