# Scenic Hill Shenanigans

It was 2:37 pm at Scenic Hill, the day before winter break, and all of the teachers were \_\_\_\_\_, frustrated, and ready for a \_\_\_\_\_. Mr. Wells was \_\_\_\_\_ at the clock, willing the bell to \_\_\_\_\_, when a voice came over the loudspeaker. It was Harjeet, the \_\_\_\_\_ of Scenic Hill. "I am so sorry, ladies and gentleman, but I have some \_\_\_\_\_ news." The students looked at each other \_\_\_\_\_. "School is being held tomorrow in order to make up for the power outage we had a few weeks ago." A collective scream was \_\_\_\_\_ throughout the building. If teachers had to come into to school on Saturday people might end up \_\_\_\_\_. What were they going to do?!
