# A Seductive Story

He began to \_\_\_\_\_ Verb - Base Form me once again. But a lot more passionate. I felt like he was trying to devour my \_\_\_\_\_ Part of Body. I began to feel him \_\_\_\_\_ Verb - Present ends in ING inside of me.

It definitely didn't fit. I clenched my \_\_\_\_\_ Plural Body Part together as he \_\_\_\_\_ Adverb slid himself into me.

He continued to \_\_\_\_\_ Verb - Base Form me as a distraction and it was somewhat working. All of a sudden he quickly slid in causing me to \_\_\_\_\_ Verb - Base Form. It was \_\_\_\_\_ Adjective and even though there was a little pain it wasn't compared to the pain before. I guess he found an \_\_\_\_\_ Adjective way or something. His \_\_\_\_\_ Plural Body Part began to slowly \_\_\_\_\_ Verb - Base Form.

It was extremely \_\_\_\_\_ Adjective and a feeling I wasn't used to. My breathing became \_\_\_\_\_ Adjective and the \_\_\_\_\_ Verb - Present ends in ING was \_\_\_\_\_ Verb - Present ends in ING me. My mind was rushing with so many different

thoughts. I even began to think about the \_\_\_\_\_ Adjective Paper \_\_\_\_\_ Noun - Plural commercial. Don't ask.

He broke the \_\_\_\_\_ Noun and I opened my eyes. As soon as I did a \_\_\_\_\_ Noun fell. "Are you

\_\_\_\_\_ Adjective?" He asked softly. "\_\_\_\_\_ Exclamation." I managed to get out. Still trying to get used to his size. He clenched his \_\_\_\_\_ Plural Body Part together causing me to freak out a bit. "Am I \_\_\_\_\_ Verb - Present ends in ING you?" I quickly asked. He gasped and looked up at me.

"You're doing the exact opposite." He replied with a \_\_\_\_\_ Noun stretching across his \_\_\_\_\_ Noun. He began to move faster causing me to stiffen up. But after a while the pain got better until I only felt soreness.

Soon

I felt something I wasn't familiar with. A wave of Feeling came over me and I clenched his

Part of Body. He seemed to know what that meant. He began to move Preposition and

Preposition of me faster causing me to lose my Animal (plural).

He started to Verb - Base Form my Plural Body Part. My Animal (plural) closed and the pleasure

began to rise. I bit my Animal (plural) trying to hold it back but I couldn't.

I whimpered making him move faster. He kissed up to my Part of Body and began to nibble on it. "I

moaned Adverb and he let out a low grunt. The room became a Location. Sweat began to form

on my Part of Body. I felt it. The pleasure rising until it was Adjective. I moaned Adverb

contain myself. He began to go deeper causing my Plural Body Part to shake. "Say it." He Verb -

Past Tense again sending Noun - Plural though my Part of Body. "Hm First Name of a Person."

I moaned not being able to keep it in.

I reached my Location and then came. My Animal (plural) still trembled and it wasn't a very

comfortable feeling. He came soon afterward ending in a low growl. He collapsed and Verb - Past Tense

heavily. After catching our breath he took the Noun off and threw it away. We sat in bed

laugh.

" \_\_\_\_\_

"You know, if I had to choose between \_\_\_\_\_  
T word \_\_\_\_\_ Tuesday in the \_\_\_\_\_  
Location \_\_\_\_\_, and being with you. It's a close one, but I'd choose you." I didn't know if I should take this as a compliment. He would actually consider choosing \_\_\_\_\_  
T word \_\_\_\_\_ Tuesday over me? "Uh that means a lot to me?" I spoke unsure of what I was saying. "Best ever!" He exclaimed making me laugh. " \_\_\_\_\_  
Exclamation \_\_\_\_\_!" I responded shaking my head at how \_\_\_\_\_  
Adjective \_\_\_\_\_ he was being. To think, my first was my \_\_\_\_\_
