# Rodazon's Shower

Our first contact came through a message from me on \_\_\_\_\_ Proper Noun - I know! Totally random and lame even to ourselves at first. I was having a 2 week vacation here in \_\_\_\_\_ Proper Noun - Place then I ended up staying here for \_\_\_\_\_ Number months. I was planning to enroll at the Japanese Tutorial Center but I couldn't find something that can fit in my schedule. Suddenly, one of the Japan pages \_\_\_\_\_ Verb - Past Tense up on my screen and Brendan was the last person who liked that page, so I \_\_\_\_\_ Verb - Past Tense his \_\_\_\_\_ Noun and messaged him. I asked if he knew of a \_\_\_\_\_ Adjective center that only requires an hour or two for a week. He replied and that's how everything started.

Both of us are not the type to \_\_\_\_\_ Verb - Base Form people we didn't know (except for that moment since I need to know something) I'm not the type to \_\_\_\_\_ Verb my circle of friends by searching them on FB, but there was something about him and he was so \_\_\_\_\_ Adjective that I couldn't erase his messages. We \_\_\_\_\_ Verb - Past Tense for about 4 months and then actually \_\_\_\_\_ Verb - Base Form at Yume Town with my sister and her husband. I am the youngest so they are pretty strict. We've been together ever since!

We really both love to \_\_\_\_\_ Verb - Base Form. We both love the Stone Curry restaurant if we are here in Beppu.

Back in the Philippines, we are both addicted to \_\_\_\_\_ Proper Noun restaurant, where we get the special

tamarind candy. We both enjoy activities like \_\_\_\_\_ Verb - Present ends in ING, \_\_\_\_\_ Verb - Present ends in ING,

\_\_\_\_\_ Verb - Present ends in ING our bikes, \_\_\_\_\_ Verb - Present ends in ING, playing soccer, cooking, and

\_\_\_\_\_ Verb - Present ends in ING

movies.

It wasn't easy at first because after my 4 months staying here in \_\_\_\_\_ Proper Noun - Place \_\_\_\_\_, my job and visa application in UK was materialized so I had to move there and we had a long distance relationship. We both went back last March \_\_\_\_\_ Year \_\_\_\_\_ to the Philippines for him to meet my \_\_\_\_\_ Number \_\_\_\_\_ sisters and also to have the \_\_\_\_\_ What people do when they are in love \_\_\_\_\_. He took me for a \_\_\_\_\_ Number \_\_\_\_\_ day vacation on an island. It was in the crater of a volcano in a lake that on an island called \_\_\_\_\_ Proper Noun - Place \_\_\_\_\_. It was CRAZY! Little did I know a surprise proposal was underway. I was oblivious to what was about to happen.

Unfortunately, I got an allergic reaction that brought a rash to my entire \_\_\_\_\_ part of body \_\_\_\_\_. It really made me feel \_\_\_\_\_ adjective - emotion \_\_\_\_\_. I was silent and worried. Suddenly Brendan came in front of me, held my \_\_\_\_\_ part of body \_\_\_\_\_, kissed me on the \_\_\_\_\_ part of body \_\_\_\_\_, hugged me tightly, and put a ring on my finger. Him and his family are always romantic so it's not unusual to receive something from them.

History, a few days before we went to \_\_\_\_\_ Proper Noun - Place \_\_\_\_\_, he gave me a ring from his sister \_\_\_\_\_ female \_\_\_\_\_ name of Latin origin \_\_\_\_\_ so when I was about to ask from whom the ring came from, he put his \_\_\_\_\_ part of body \_\_\_\_\_ again on my face and asked me to marry him. He told me that he loves every single rash that existed on my \_\_\_\_\_ part of body \_\_\_\_\_. I was super delighted soaking it all that I forgot to say "yes!" That moment I instantly started \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_. He asked me again to be his wife and I said yes! \_\_\_\_\_ Interjection \_\_\_\_\_! It was amazing.

It was the happiest moment ever! I forgot all the rashes around!

After that short vacation, it wasn't easy without him. After my contract, I came up with my best decision I ever had, to \_\_\_\_\_ Verb - Base Form here to Japan to be with him. I knew I could find a job anywhere, but I could not find true love anywhere else, and he is the source of my happiness.
