# dear santa

Dear Santa, I have been very Adjective this year, and I know it. My mom said I have been very Adjective this year, but I disagree. Just to prove I am the best, did you know that I Something awesome that you did this year? Well it's true, and there's no doubting about it. I think I was the best of all, because my siblings did much worse. My sister stuck a Noun in my Noun, and my brother spilled liquid all over my Noun. Soon enough we all got in a fight. Even though I called person you know a mean name and person you know a mean name, stole person you know's Noun and kicked person you know, I think I have been very good this year. Enough chit chat, I want a toy that poops candy, a toy that talks in language that you do not speak, a toy that Verb - Present ends in S, and a toy.
