The War Begins!!!

Today was the day that we people will be going to war with the people. It was
had holes in them, me and <u>Number</u> men were going to travel to <u>same country</u> on <u>vehicle</u> .
The War started the opposing country first launched <u>Noun</u> bombs at our base but not longer after we
attack with <u>Number</u> swords, <u>Number</u> men die in the process but the opposing team have only 1
man left. We all gatherd around the man and one by one we <u>violent action</u> him in the <u>Part of Body</u> ,
just before we were going to shove a <u>Noun</u> in his <u>Part of Body</u> his last words were "
silly word ". Boom we won we WON! everyone was dancing like insult or nice word and we
celebrated with Just before we all left to go home disaster stroke, the ground
and we all died, my friend died next to me while we were holding each othersPart of Body
