going to be a good for us for sure" Henrik said after the morning "They have a lot
of good on that team, so we can't take them" The Canucks, who have
struggled to goals as of late, will be going with Eddie Lack in net. "Yeah, I mean, it's good to get
some games in, for sure. I haven't had a chance to much lately, so I'm just going to verb
myself mentally and go out there to give my team a chance to" Coach Willie D thinks the
Canucks are better than their recent indicates. "We've been real good in a lot of areas, we just
have to get real gooder in a few more."
