# Love of Music

I started listening to music when I was \_\_\_\_\_number\_\_\_\_\_ years old. Since that age I have branched off and started listening to \_\_\_\_\_name\_\_\_\_\_, \_\_\_\_\_name\_\_\_\_\_, and \_\_\_\_\_name\_\_\_\_\_. Though everyone listens to different types of music my favorite genre is \_\_\_\_\_genre\_\_\_\_\_. I love music so much I even learned how to play \_\_\_\_\_name\_\_\_\_\_ on guitar. I might know how to play an instrument but you should hear my \_\_\_\_\_Adjective\_\_\_\_\_ older brother. I remember when I heard the \_\_\_\_\_Adjective - Ends in EST\_\_\_\_\_ song ever. I was \_\_\_\_\_number\_\_\_\_\_ years old sitting in the \_\_\_\_\_Noun\_\_\_\_\_ room eating \_\_\_\_\_Noun\_\_\_\_\_. Music has saved me from getting into trouble so many times. When I'm angry I listen to \_\_\_\_\_Noun\_\_\_\_\_ music. I find listening to music that fits your mood really helps with all those bottled up emotions. I take music seriously and plan to learn how to play \_\_\_\_\_Noun\_\_\_\_\_ later on in life. When I have kids I hope they love music as much as I do.
