The Minecraft Adventure

_____ number _____ day, a man named Steve appeared in a world made of blocks. He was in a _____ Location _____. He had nothing, so he punched a tree. He made a wooden pickax and went mining. He found stone and made a stone pickax. So, he went back to the surface and made a house. He needed food, so he ate apples from a tree. It was getting dark, so he went in his house. But then, Steve heard pounding at his door. Then, a green person broke down his door and started attacking Steve. So, he ran out the door. But, not far away, a skeleton shot _____ Proper Noun _____ with a bow and arrow. That was the least of Steve's worries when a _____ number _____, no-armed green creature came up to him. It started blinking, hissing, and slightly growing. Steve started to run away when the creature exploded. Steve dropped all his stuff and ran away.
