# Moving Out

I had just turned \_\_\_\_\_ Age and was finally able to move out. I had a steady job as a(n) \_\_\_\_\_ Occupation and had saved \_\_\_\_\_ Large Number dollars. I'd decided to move to \_\_\_\_\_ State, where my \_\_\_\_\_ Relative \_\_\_\_\_ First Name of a Person lived. We'd been very close ever since the \_\_\_\_\_ Noun incident five years ago. My mom was very \_\_\_\_\_ Emotion when I left but my dad just \_\_\_\_\_ Verb - Past Tense me on the \_\_\_\_\_ Body Part. I \_\_\_\_\_ Verb - Past Tense and got in my car and drove away. When I arrived at my new apartment it smelled like \_\_\_\_\_ Noun - Plural. Instead of complaining I ignored it and walked \_\_\_\_\_ Adverb up to my room. I began unpacking and came across a box marked \_\_\_\_\_ Room. Our old house and my new apartment didn't have that room so I was confused why I'd written that. I opened up the box and inside was \_\_\_\_\_ Number \_\_\_\_\_ Noun - Plural and they were alive! I screamed as they attacked me and I fell to the floor, hitting my \_\_\_\_\_ Body Part and my head. When I woke up I was back home with my parents, who looked much older. They told me I was in a coma for \_\_\_\_\_ Number years, and both of my \_\_\_\_\_ Relative - Plural had died. I was also paralyzed from the \_\_\_\_\_ Body Part down and would never \_\_\_\_\_ Verb - Base Form again. But at least I was back home, where I would be \_\_\_\_\_ Verb - Past Tense and \_\_\_\_\_ Verb - Past Tense by those I love.
