1. Preposition Or Subordinating Conjunction

# My life

I woke up this morning and the first thing I did was \_\_\_\_\_. After \_\_\_\_\_ Preposition or subordinating conjunction I did \_\_\_\_\_.

Once I was done, I got myself together and went to school. I saw \_\_\_\_\_ and she is my best friend. We \_\_\_\_\_ as we walked to class. Then we saw \_\_\_\_\_ and she is always in trouble. I don't hang with her because she is not how I want to be. Some of the things she does is \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. Mrs. Johnson has taught us that the way she act is not how a Christian is suppose to act. I am so glad I go to Roses and Wings because it has taught me to \_\_\_\_\_ and not to \_\_\_\_\_. I have learned about self esteem. I know it means that it is how I think about \_\_\_\_\_. I have \_\_\_\_\_ self esteem because I am \_\_\_\_\_. I will make a promise that I will think \_\_\_\_\_ of myself. I am \_\_\_\_\_ and I can do anything I want to do. I love me because \_\_\_\_\_. I will treat my friends and family \_\_\_\_\_. I will not talk about anyone because I know God does not like it. I want Him to be proud of me and when I get angry or mad at someone I will \_\_\_\_\_ because I have self control.
