The Birthday Bash

I got used to the way Fudge _____ Verb - Past Tense without his top front _____ Noun. He looked like a very _____ Adjective first grader. Dr. Brown, our dentist, said he'd have to wait until he was six or seven to get his grown-up teeth. I started calling him Fang because when he _____ Verb - Present ends in S all you can see are the top two side teeth next to the _____ Adjective space. So it looks like he has _____ Noun.
