Horror at the Dental Office

Proper Noun Dental was the first Dental office to serve the <u>Proper Noun</u> Community in 1912. Men, women and <u>Noun - Plural</u> came from all around to get their teeth <u>Verb - Past Tense</u> and for some long overdue dental ______. This office was the talk of the town until something Adjective started happening. Patients began to fall ill. Not just the Adjective kind either. These trend. What was happening to these patients? Was it the _____? No one in the town knew. No one knew about the ______ secret that was being kept at the office. You see, Dr. ______ was a disturbed and ______ man. He put on a ______ front, so his patients would never know about his inner ______. It wasn't until ______ years later that the truth was discovered. The doctor had passed away leaving his practice to his son Dr. ________. The new doctor had noticed small hidden compartments in each treatment <u>Noun</u>. To his horror, he found <u>Noun</u> inside each one. This is what was making the patients ______ Adjective _____ all these years. This is why he continues to see the ghosts of his fathers patients. They've come to seek revenge...
